Kuba Więcaszek, CEO

*Kuba, Why is Krakow a good location for you?*

Kraków offers highly educated accounting specialists with foreign language skills available at competitive rates. Employees are ambitious with a proper attitude to work, they take responsibility and they are proactive. The effect is compounded by information sharing with fellow BPO companies.

*How have you developed in the period you have been in Kraków?*

The development has been reported especially in the area of efficiency of processes as well as migration of more complex and advanced activities from our clients. The portfolio of clients has also developed and we have added new clients located in other countries.

*How do you envisage your future development in Kraków?*

Our development in Kraków involves new types of services related to advanced accounting/reporting activities but also business process developing, ERP and recovery audit. On the other hand new activities of the existing clients together with newly acquired clients are planned to be gained and serviced using inshore locations.

*What is Kraków's biggest selling point?*

Highly educated and motivated employees available at competitive rates.

*Accounting Plaza is a founding member of ASPIRE - the Kraków Association of IT and Business Process Services companies. How does ASPIRE help you and your company?*

ASPIRE allow us to share our experience and our ideas with other companies.
